About

Benedictine is a faith-based, senior health care organization rooted in the teaching of Saint Benedict and the ministry of the Benedictine Sisters of Duluth, Minnesota since 1985. Benedictine Living Community-Osseo was built in 1999, and our care and services have been nationally recognized as a top senior living community in the state of Minnesota.

Investing in our Future

Over the last 20 years, the needs of the residents have changed. Those entrusted to our care require more services and higher levels of care than ever before. Our building is meeting its physical limits, pressing the need to expand our kitchen and resident dining spaces. COVID-19 has highlighted the importance of providing communal spaces while maintaining the ability to social distance during visits with loved ones and neighboring residents.

With your help, we hope to expand upon this renovation in various ways, as seen on the next page.

BENEDICTINE FOUNDATION

We are a not-for-profit organization that relies on the generosity of our local community, as well as grateful families and friends to help us offer your loved ones the life they deserve!

We hope you consider including Benedictine Living Community-Osseo in your giving today!

The Renovation

Kitchen and Dining Room

Total Cost - $75,000

We are fully committed to expanding the kitchen and dining room, but we need your support to take this renovation a step further. Your gift will provide the finishing touches that will make every resident feel like a guest at their favorite restaurant with comfortable furniture and refreshing new décor.

Patio

Total Cost - $75,000

Our residents love the continuous activity that comes with living so close to downtown. Your gift will provide two beautiful patio spaces that will allow residents to enjoy more time outside from sunrise to sunset.

Common Areas

Total Cost - $22,000

Common areas are the heart of our community. From coffee in the morning, to bingo in the afternoon, there is always something going on. Your gift will help transform our common areas to ensure our residents have a welcoming space for any gathering or activity.

Memory Care Expansion

Total Cost - $15,000

A crucial element of taking care of individuals with memory loss is providing ample engagement through activities and community involvement. Your gift will support expanding our memory care footprint, including a focused gathering space.

Gifts of all sizes made to these priorities or to our residents' Greatest Needs are greatly appreciated.
